We are aware that online classes have deprived our students of the much needed social interaction with peers & teachers. The hybrid class was an attempt to bring back our dear students to the school campus and we believe that for those who availed the opportunity, the experience was truly enjoyable.

We are sure that as responsible parents you will acknowledge the fact that the 2 month long summer vacation should be utilized in a pro-active manner by our students without letting lethargy creep in. In this context, vacation assignments which are designed to trigger their creativity and strengthen their life skills will be posted. We request your whole hearted co-operation in ensuring the prompt completion of the assignments.

We eagerly await the resumption of classes at school, in June 2022 and look forward to the school becoming a happy & happening place for our dear students after the long gap.

Yours faithfully

Smile
